SCHOOL OF GLOBAL CONVERGENCE STUDIES (SGCS, 국제학부)

Established in March 2017, SGCS intends to foster global leaders armed with proper knowledge, problem-solving abilities, and hand-on skills. Specifically, students are provided with world class, multi-disciplinary education program for 'combined engineering', 'business', and 'Korean language and culture' studies in order to foster integrated and empathetic global leaders.

WHY SGCS?

- 1** 100% English Taught Curriculum
※ Except 'Korean Language and Culture' Major (100% Korean)
- 2** Develop and provide innovative and quality assured educational programs in international convergence studies
- 3** Foster talented professionals and global leaders who possess international recognized attributes and practical skills
- 4** Student Friendly attributes such as location (located in Incheon which is the largest city right near Seoul and a low cost of living) and reasonable tuition fee (low tuition fee but high scholarship support rate compared to other Korean universities)

SGCS PROGRAM

SGCS Program intends to provide an interdisciplinary education system. Once the student enter the program, they get a chance to experience the basics of related academics during their first semester. After that, students get to choose their own major between IBT and ISE.

As soon as they finish their general education courses (English, Korean) and major courses, they can advance their academic skills and finally work on the fields they are willing to contribute.

SGCS STUDENT SUPPORT

SPECIAL PROGRAMS

SGCS Korean Program

SGCS Korean Program is a 2 years course for IBT and ISE major students. This program is in relation with Korean general courses and taught by Korean language education experts. The department expect that the students will gain a high academic Korean level and even easily adapt to Korea as well as its culture. In addition, SGCS department will continuously open extra-curriculum Korean classes for senior students to help them improve their Korean skills and finally start their career in Korea.

INHA Phronesis Seminar Program

INHA Phronesis Seminar is provided to all SGCS freshmen students. It is a mandatory course that provides useful information about the campus and academic life. Campus tour, mentoring session with seniors, lectures for presentation skills and academic reports will be held. Also there will be a special lecture from SGCS faculty to help students choose their majors and set academic goals. After this program, students can build a sense of belonging and healthy relationships with each others.

Exchange Program

INHA Undergraduate students have an opportunity to study abroad as an exchange student. Students can study and experience new culture at partner universities for one or two semesters. Students can apply for the program after spending more than 5 semesters and fulfilling certain criteria (GPA, English Score Certificates, and etc). The program itself is managed by the International Team of INHA University.

STUDENT ACTIVITIES

INHA SGCS Night

The SGCS Department hosts a special one-day event for the students to celebrate their academic performances as well as successful campus lives. Guest lectures, award ceremonies, recreation activities are given on this day. SGCS Students can get along with each others and express their gratitudes toward their faculty.

SGCS Soccer League

First held in May 2018, SGCS Soccer League will be open for every semesters. It is one of the biggest student event managed by the students themselves. Through group activities and competition, students can get closer with each others regardless of their nationalities. Also it will help them build global networks. The Soccer League is officially supported by the SGCS Office.
